Dear Sir:

This communication is made in response to the Office Action dated November 23, 2005, which was made FINAL. This is the First Office Action following the Request for Continued Examination filed by the Applicants September 28, 2005 (Paper # 11). The RCE (Paper #11) was filed, presenting amended claims, in response to the Advisory Action dated September 15, 2005 (Paper #10), in which the Examiner refused to enter the Amendments After Final.

According to the MPEP § 706.07(b), it is NOT PROPER "to make final a first Office action in a continuing or substitute application where that application contains material which was presented in the earlier application after final rejection or closing of prosecution but was denied entry because (A) new issues were raised that required further consideration and/or search".

The Examiner in fact did refused entry of the proposed amendments because they assertedly raised "new issues that would require further consideration and/or search". See Paper #10, Advisory Action, form PTOL-303 (Rev. 7-05), line 3(a).

Application No.: 10/759497

Case No.: 59495US002

Accordingly, the Applicants respectfully submit that this final rejection is premature and hereby request that the rejection be withdrawn (as per MPEP § 706.07(d)).

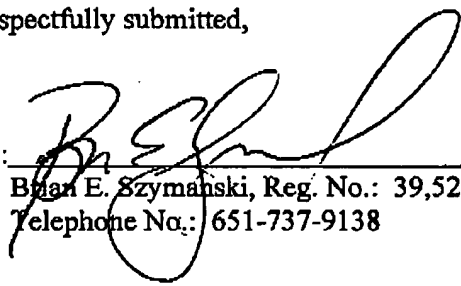

Timely response to this request for reconsideration is respectfully requested.

Respectfully submitted,

January 12, 2006
